

Industrial Revolution: The Great Balance Sheet

Group Name / Persona: _____

Instructions: Audit the Industrial Revolution by identifying specific evidence from the lecture. Place technological and economic gains on the left and social or human costs on the right.

Assets of Progress	Debts of Discontent
<i>(Technological, Economic, & Global Wins)</i>	<i>(Social, Human, & Moral Costs)</i>

The Final Verdict

In your assigned persona's view, which side carries more weight? Write a 2-3 sentence justification based on your 'Assets' vs. 'Debts' findings.
